ARCHDIOCESAN EVENTS

Liturgical Music is the Song of the Supper of the Lamb

A Workshop presented by Fr. Dennis Gill

Rector and Pastor of the Cathedral Basilica of Ss. Peter and Paul,
the Mother Church of the Archdiocese of Philadelphia,
and Director of the Office for Divine Worship for the Archdiocese of Philadelphia

Tuesday, January 22, 2019 • 7:00 pm

Archdiocesan Pastoral Center Auditorium

222 N. 17th Street, Phila., Pa

Free admission • All are welcome

Liturgical Music has a different starting point than any other type of music. It is the song of Salvation, the Song of the Supper of the Lamb. The workshop will focus on how an authentic understanding of the Christian Mystery is the starting point for understanding the Church's norms for liturgical music. The workshop will also look at how liturgical music sings this mystery all throughout the Mass and thus become song that unites heaven and earth, becomes itself a form of worship and demands a participation that is at the time internal and external. Liturgical music is the rehearsal for the place we will one day have in the chorus of the angels and saints in glory.

Community HealthChoices

Is Pennsylvania's new mandatory managed care program for individuals who are dually eligible for both Medical Assistance and Medicare, older adults, and individuals with physical disabilities — serving more people in their communities while giving them the opportunity to work, spend more time with their families, and experience an overall better quality of life. When implemented, CHC will improve services for hundreds of thousands of Pennsylvanians.

THE DEADLINE TO SELECT YOUR PLAN IS DECEMBER 21

Community HealthChoices is Coming to your Area

When it comes to your health care, your choice matters. Pennsylvania is launching Community HealthChoices (CHC) in your area on January 1, 2019.

If you are 21 years or older, receive Medical Assistance and have Medicare, are in a nursing facility, or receive services at home through an Office of Long-Term Living waiver, you may move to CHC.

If you are eligible for CHC, the way you receive your Medical Assistance (also called Medicaid) services will change. **CHC WILL NOT CHANGE YOUR MEDICARE BENEFITS.**

If you are eligible, you will have already received an informational packet. That packet has the information you will need to choose a CHC health plan for your Medical Assistance services **by December 21, 2018**. You can change plans any time if you find the plan you selected, or were enrolled in, does not fit your needs.

Learn about your health plan options. Discuss CHC and your health plan options with family and important people in your life. Discuss CHC with your providers; ask which CHC plans they will work with. If you are in a nursing home or have a service coordinator, you can talk to them about CHC.

To select your plan, call 1-844-824-3655 or (TTY 1-833-254-0690), visit www.enrollchc.com or mail back the paper application that was sent to you.
